

School Children's closing
Celebration for the

"Year of the Eucharist"

October 7th - 2005

Join your students in this exciting and spiritually powerful event for the school children of the world. It's Easy! Plan a simple one hour or less [Children's Holy Hour](#) program, including the children of the world singing the winning song before the Blessed Sacrament, from [the National Catholic School Children's "Prayer of Petition Contest."](#)

Then on October 7th ~ 2005, join in! Simply gather the children to celebrate their Holy Hour of "Song and Prayer" either as a [Diocesan fieldtrip to your Cathedral, School or Parish](#) or by simply walking to your parish church or Adoration Chapel, for a "Year of the Eucharist" closing celebration for children.

This powerful event gives children the opportunity to unite their prayers with the prayers of other children throughout the world, for their own family problems, for life, and children praying for all the suffering children of the world. What an opportunity to teach children the spirit of being spiritual missionaries.

A Letter has been sent to every [Bishop](#) and [Catholic Elementary School Principal](#) in the United States, announcing the "Prayer of Petition" contest and this World-wide Holy Hour for children.

* Don't forget to take a look at the possibility of gathering families for a Candlelight Eucharistic Procession in your Diocese or Parish.

Together, let us petition the "*Queen of the Most Holy Rosary*" to appear before the throne of her Divine Son, with arms filled with millions of Rosaries prayed by innocent children for their own **Families**, for **Life**, and all the suffering **Children** of the world.
